

MESSRS. T. and C. CLARK and Co.
 Transferees of Waterbury, beg respectfully to call
 the attention of Architects and Builders to their PATENT BRASS
 JOINT AND HINGE, and of the same joint of brass. The
 above, which are now beautifully made; answer every purpose
 of hinge and are worth the cost of this article.
 Messrs. T. and C. C. and Co. warrant every hinge to stand an
 test.
 May be had wholesale of all merchants and factors, or at the
 Works; and retail at all the principal ironmongers in the Kingdom.
